SUMMARY BACKGROUND:

The Library Board and City Council will learn more about a new library planned for East Main Street. The City of Sumner owns the building and land where the current Sumner Library is located on Fryar Avenue. The current building has reached end of life, requiring major repairs. Its current location also poses accessibility challenges, prompting the City and Library System to partner and seek a more favorable location for the Sumner Library’s future.

During the meeting, architects will share information about modern trends in library buildings, creating flexible spaces and places to meet community needs. In addition, library trustees and city councilmembers will discuss plans to fund the building, up to 20,000 square feet of space, with a potential Library Capital Facility Area (LCFA) and bond as well as donations from individuals and organizations. The Library System estimates the total cost of the project is approximately \$19 million in today’s market. The Library is committed to contributing \$5 million through a variety of sources. The Library currently has a \$1 million ask of funding from the State of Washington being considered as part of Department of Commerce’s Library Capital Improvement Program. The remaining \$14 million is being proposed to be put forward to the residents of Sumner for vote on a bond measure.

Both the Library System Board of Trustees and City of Sumner City Council would need to pass resolutions to pursue establishing an LCFA (the areas that would make up the taxing district) and a bond for a ballot measure. If voters approve an LCFA, it would be its own independent taxing district, administered by Pierce County.

LIBRARY CAPITAL FACILITY AREAS
Chapter [27.15](#) RCW

The legislature finds that it is in the interests of the people of the state of Washington to be able to establish library capital facility areas as quasi-municipal corporations and independent taxing units existing within the boundaries of existing rural county library districts, rural intercounty library districts, rural partial-county library districts, or island library districts, for the purpose of financing the construction of capital library facilities.

LCFA Process

1. Partner agencies agree on scope of project & LCFA boundaries.
Pass resolutions that go to the County
2. County approves ballot language, County Council approves measure to be placed on ballot
3. If measure passes, agencies sign Interlocal Agreements establishing roles and responsibilities.
4. Prepare and sell bonds
5. Library designs and constructs library, once open, library operates
6. When bonds are repaid, LCFA dissolves, ownership reverts according to Interlocal Agreements

Contemporary Library Design is about Equity, Access, and Inspiration

Access :

- *Books, materials, computers, and a safe place to be*
- *Hours, programs, and physical building are designed for maximum access*
- *Spaces designed to accommodate talking and gathering, quiet reading and study, and play-based learning*

Inspiration :

- *Explore new ideas through browsing and programming*
- *Sharing of ideas and cultures in community-centered space*
- *Create library spaces that are inspiring*

Equity :

- *Library is welcoming and open to everyone*
- *Services tailored to specific needs of the local community*

How Equity, Access, and Inspiration are Translated to Building

- Natural Light and Views *that are proven to aid well-being*
- Healthy Buildings *created from sustainable materials*
- Accessible Buildings *welcoming to those of all ages and abilities*
- Visible Spaces *a civic presence and good sight lines throughout the library*
- Flexible Spaces *that can be open or shut, be small or large, and adapt to many uses*
- Spaces to Sit *that cater to all bodies*
- Spaces to Gather *that can be used by anyone in the community*
- Spaces to Learn and Play *that stimulate through color, pattern, and activity*

Option #1

All of Sumner City Limits

Pros:

- Most familiar

Challenges:

- County requests that LCFA run contiguous
- Does not reflect service area of library

Option #2

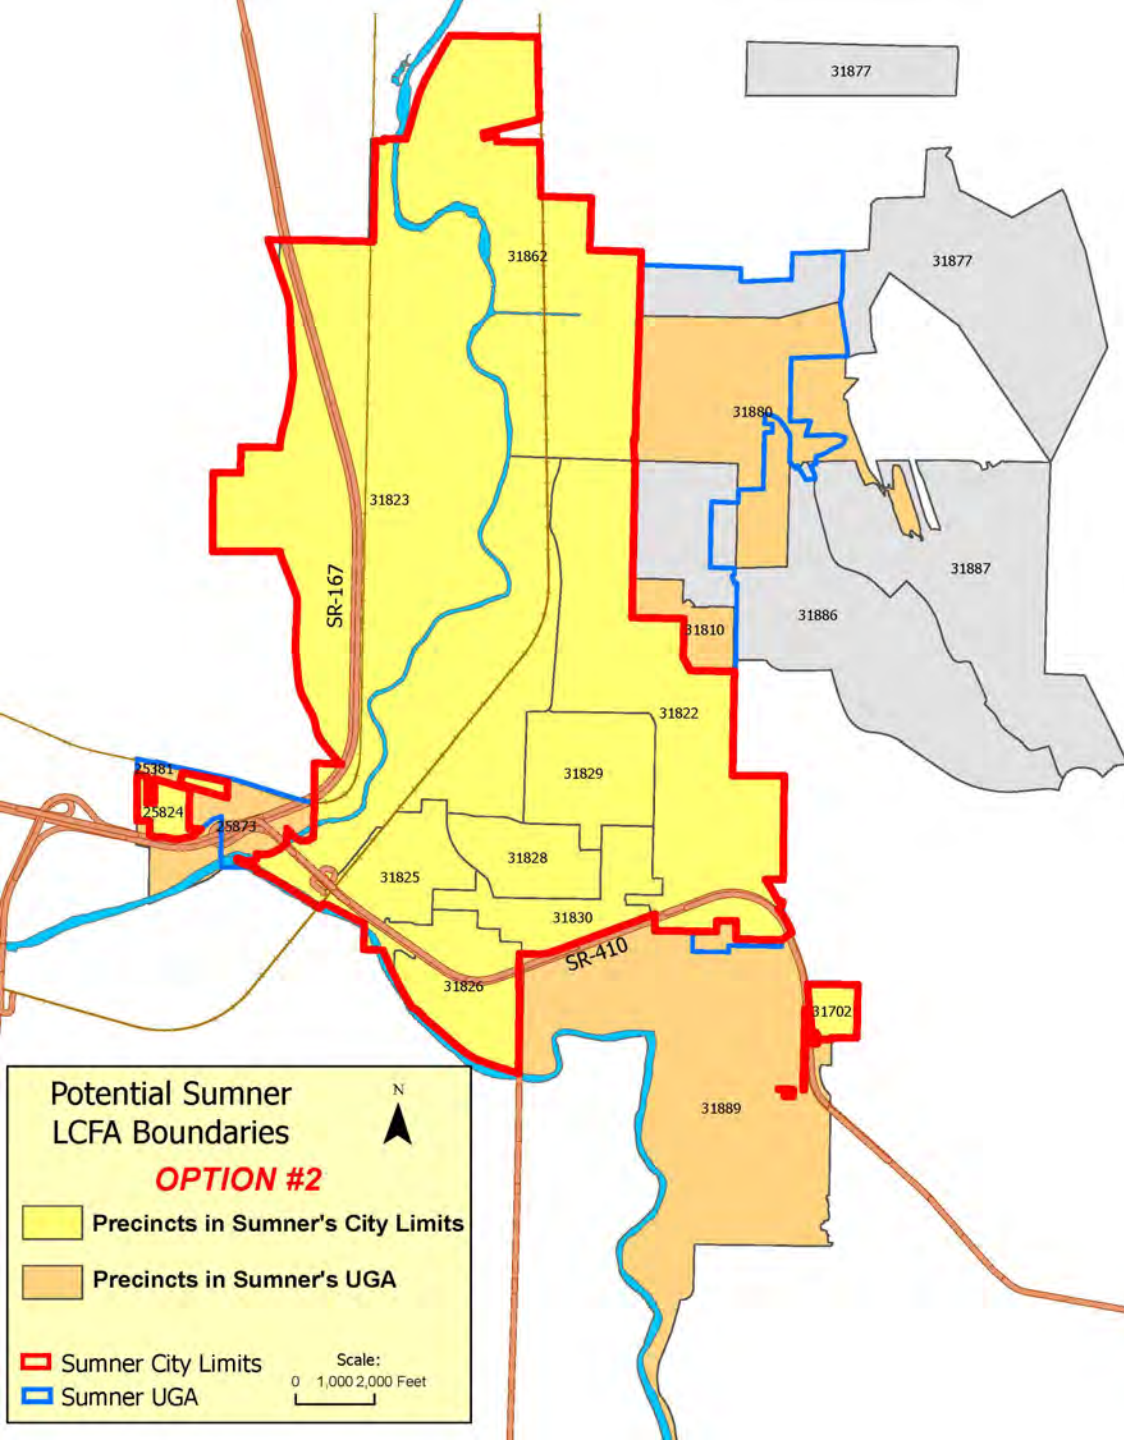

Sumner City Limits + partial UGA

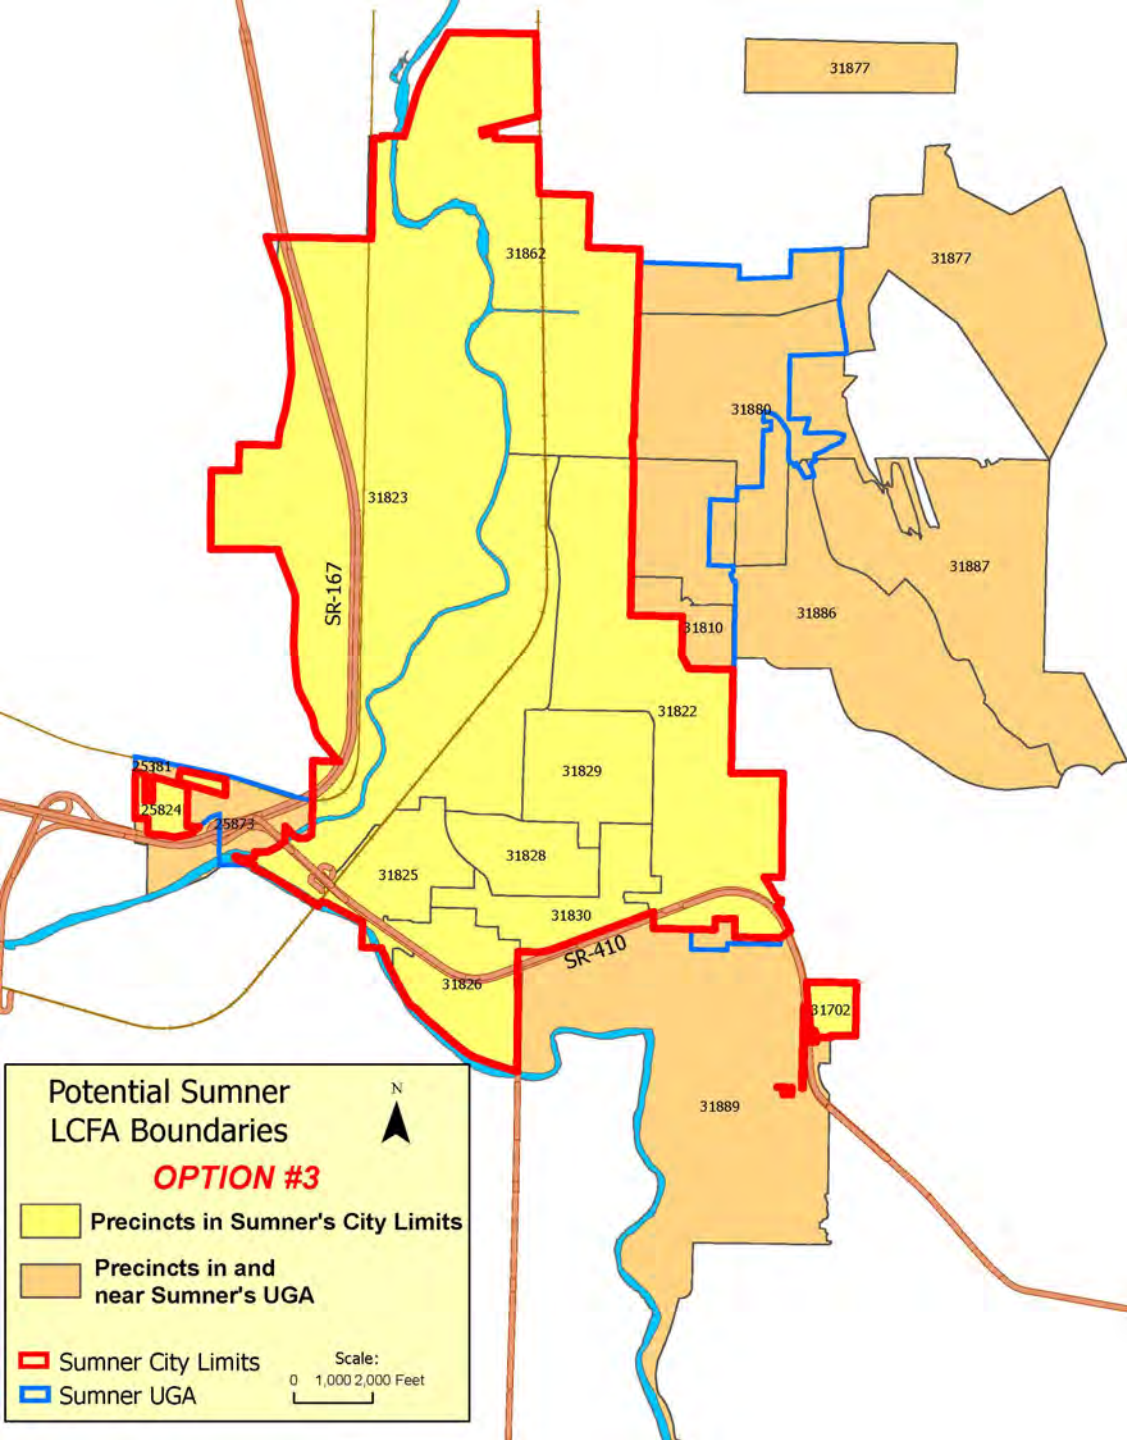

Pros:

- Creates contiguous LCFA boundary
- Incorporates areas that typically identify as Sumner, without encroaching on neighboring cities

Challenges:

- Goes beyond UGA
- Some may not identify with Sumner

Option #3

Sumner City Limits + all precincts that include UGA

Pros:

- Creates contiguous LCFA boundary
- Incorporates all of the UGA

Challenges:

- Goes well beyond UGA
- Some may not identify with Sumner.

Questions and Discussion

LIBRARY CAPITAL FACILITIES AREAS Chapter 27.15 RCW

1. What is a Library Capital Facility Area (“LCFA”)?
 - A quasi-municipal corporation and independent taxing authority within the meaning of Article VII, section 1 of the State Constitution, and a taxing district within the meaning of Article VII, section 2 of the State Constitution. *RCW 27.15.010(2)*.
 - Established by the voters
 - Authorized to issue voter-approved unlimited tax general obligation bonds payable from excess property tax levies to finance the acquisition, design, construction, equipping and remodeling of library capital facilities, including land, buildings, equipment, furnishings and collections.

2. Why?
 - Addresses “uniformity” conundrum: establishment of an LCFA permits voters in a portion of a library district to approve and consummate a proposal to issue bonds and incur debt develop or remodel a local library facility without the need to ask the voters of the rest of the library district to approve such financing.
 - Validated by Washington Supreme Court. *Granite Falls Library Capital Facilities Area v. Taxpayers of Granite Falls Library Capital Facilities Area*, 134 Wn.2d 825 (1998).
 - Implemented successfully around the State.

3. Process for formation of an LCFA within the boundaries of the Pierce County Rural Library District d/b/a Pierce County Library System (“PCLS”).
 - Initiated by written request, signed by a majority of the members of the PCLS Board of Trustees, to the Pierce County (the “County”) Council to submit a ballot proposition to voters within the proposed LCFA at a general or special election to both:
 - Approve the establishment of the proposed LCFA, and
 - Authorize its financing of particular library capital facilities by incurring (not to exceed 1.25% of the value of taxable property in the LCFA) and imposing excess property tax levies to retire such debt. *RCW 27.15.020(1)*.
 - The request must include:
 - The boundaries of the proposed LCFA
 - A copy of the resolution of each city or town with territory included in the proposed LCFA indicating both:
 - Approval of its creation, and
 - Agreement on how election costs will be paid. *RCW 27.15.020(2)*.
 - To be successful, the ballot proposition must be approved by the affirmative vote of a three-fifths majority of those voting on the proposition, and the total number of persons voting on the proposition must be at least 40% of the voters in the proposed library capital facility area who voted in the last preceding statewide general election. *RCW 27.15.020(3)*.

- If the proposition is approved, the LCFA may contract indebtedness, issue general obligation bonds to finance the approved library capital facilities, and impose excess property tax levies to retire such bonds. *See RCW 27.15.050(1).*
4. Operation of an LCFA within the boundaries of PCLS.
- By law, the Governing Body of the LCFA will be three members of the County Council chosen by the full membership of the County Council. *RCW 27.15.030.*
 - The LCFA may itself construct, acquire, maintain and remodel the library capital facilities or it may, by interlocal agreement or otherwise, contract with PCLS or a relevant city, town or the County to design, administer the construction or, operate or maintain such library capital facilities. *RCW 27.15.040.*
 - The LCFA may retain legal title to the library capital facilities or transfer title to PCLS, the County or any city or town in which such facilities are located. *Id.*
 - The LCFA may be dissolved by a majority vote of its Governing Body when all of its bond obligations have been discharged and its other obligations have been discharged or assumed by another governmental entity. *RCW 27.15.060.*
5. Necessary participants
- For ballot proposition and to establish the LCFA:
 - PCLS
 - Board of Trustees
 - Management
 - Counsel
 - Any city or town with territory included in the proposed LCFA
 - Governing body
 - City attorney
 - County
 - County Council
 - County prosecutor
 - To sell the bonds:
 - Underwriter or municipal advisor
 - Bond counsel
6. Timing in 2023
- For the primary election on August 1, 2023
 - May 12, 2023 (4:30 p.m.) deadline for receipt by County Auditor of County Council resolution calling for LCFA election, resolution cover sheet, explanatory statement and for and against committee appointment form.
 - For the general election on November 7, 2023
 - August 1, 2023 (4:30 p.m.) deadline for receipt by County Auditor of County Council resolution calling for LCFA election, resolution cover sheet, explanatory statement and for and against committee appointment form.

Resolution 18-05-05:
Library Board of Trustees
North Olympic Library System

RESOLUTION OF THE NORTH OLYMPIC LIBRARY SYSTEM REQUESTING THE ESTABLISHMENT OF THE SEQUIM LIBRARY CAPITAL FACILITY AREA TO FINANCE A NEW LIBRARY IN SEQUIM AND THEREBY EXPAND LIBRARY SERVICE.

WHEREAS, library service to the residents of the City of Sequim (the "City") and the residents of the area surrounding the City is provided through a library facility (the "Sequim Branch Library") owned and operated by the North Olympic Library System ("NOLS"); and

WHEREAS, the City and the areas surrounding the City have experienced a rapid growth in the number of residents; and

WHEREAS, the growing population has resulted in increased usage of the existing Sequim Branch Library, which cannot accommodate the larger collection needs of the growing population, and cannot support events and programs requested by community members; and

WHEREAS, chapter 27.15 RCW permits, upon the request of NOLS and the approval of the City and the voters, the creation of a library capital facility area to construct, acquire, maintain and remodel library capital facilities; and

WHEREAS, the cost of developing a new library to replace the existing Sequim Branch Library can most fairly be paid by those residents of the area to be served by the new Sequim Branch Library through the establishment of a library capital facility area and its issuance of bonds to finance the construction, furnishing and equipping of the new Sequim Branch Library; and

WHEREAS, NOLS will be responsible for designing, administering the construction, furnishing and equipping of, and owning, operating and maintaining the new Sequim Branch Library, and expects to enter into an appropriate interlocal agreement with such library capital facility area confirming such arrangements;

NOW, THEREFORE, BE IT HEREBY RESOLVED BY THE BOARD OF TRUSTEES OF THE NORTH OLYMPIC LIBRARY SYSTEM:

I. Approval of Creation of the Sequim Library Capital Facility Area. NOLS finds that a new library facility in the City is essential to the public welfare and to the residents of the City and the residents of Clallam County in the areas surrounding the City. NOLS hereby

approves of creation of a library capital facility area to be known as the “Sequim Library Capital Facility Area,” the boundaries of which shall be coextensive with Clallam County Park and Recreation District No. 1, as described in Attachment 3 to the form of the “Request for Establishment of the Sequim Library Capital Facility Area” (the “Request”) attached as Exhibit A to this Resolution and incorporated herein by this reference.

2. Request to the Clallam County Board of Commissioners; Ballot Propositions. NOLS requests that the Clallam County Board of Commissioners, pursuant to chapter 27.15 RCW, provide for the establishment of the Sequim Library Capital Facility Area and submit to the voters of the said area two ballot propositions at a special election to be held in connection with the general election on November 6, 2018, which shall read substantially as follows:

Proposition 1: The Clallam County Board of Commissioners adopted Resolution ____, concerning a proposition to establish the Sequim Library Capital Facility Area, with boundaries that are coextensive with Clallam County Park and Recreation District No. 1. This proposition would establish the Sequim Library Capital Facility Area with all the powers provided in chapter 27.15 RCW, including the power to construct, acquire, maintain and remodel library capital facilities. Shall this proposition be:

APPROVED REJECTED

Proposition 2: The Clallam County Board of Commissioners adopted Resolution ____, concerning a proposition to enable the Sequim Library Capital Facility Area to finance a library facility. This proposition would authorize the Sequim Library Capital Facility Area to construct, furnish and equip a new library in Sequim; to incur indebtedness to finance such improvements through the issuance of up to \$12,400,000 in general obligation bonds maturing within 21 years; and to levy annual excess property taxes to repay such bonds. Shall this proposition be:

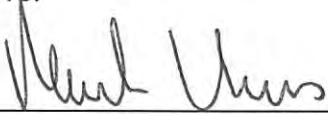

APPROVED REJECTED

3. Election Costs. NOLS shall pay all of the costs of submitting the two ballot propositions to the voters of the proposed area.

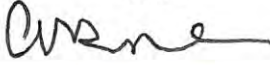

4. Approval of Request. The Request, in substantially the form attached hereto as Exhibit A, is hereby approved, and the completion and execution of the Request are hereby authorized and directed.

5. Authorization to Submit Request and Resolution to the Clallam County Board of Commissioners. The Secretary of the Board of Trustees of NOLS is hereby authorized and directed to certify a copy of this resolution and attach it to the Request and to submit the completed Request to the Clallam County Board of Commissioners.

Passed by the Board of Trustees of the North Olympic Library System at an open, public meeting, notice of which was given as required by law, held this 24th day of May 2018.
